<b>Overview</b>	<b>PEX 570 — a multifunction laser printer perfect for your office</b>  In today's office environment, combining high efficiency and eco-friendliness is the key to success. This multifunctional printer allows you to print up to 30 pages per minute, and provides the first copy in approximately eight seconds. It is also equipped with a clever energy-saving function. Just by pushing a button on the bottom of the machine, it saves 25% electricity compared to our conventional PEX 550 printer. The built-in Ethernet port enables network printing and PC faxing. Of course you can fax and scan with high resolution. MWP's PEX 570 provides convenient features in one durable, fast and energy-efficient copier.
<b>Specifications</b>	Dimensions (W×D×H): 18.6×19.5×19.3 (inches) Colors: Black, Silver, White Functions include printer, copier, scanner and fax.
<b>Service &amp; Support</b>	2-year warranty Installation free of charge
<b>Ordering details</b>	Delivery: 1-2 weeks after receiving an order How to purchase: Order directly from MWP Co., Ltd. using a purchase order. You can now test a PEX 570 in your office by placing a 30-day trial purchase order.
<b>Notes</b>	Limited-time offer of \$699 until the end of October 2012. Price and specifications are subject to change without notice.
