Dear Customer Service Staff:

As we were researching suppliers of quality skin care products, we became interested in your Moisturizing Foundation and other products which were advertised in *Beauty* magazine. We understand that your products are rated highly in the US cosmetic market.

We are an importer and distributor of high-quality skin care products for young women in Japan. We have reason to believe your products have potential to succeed in the Japanese market.

We would appreciate it if you could send us your latest catalog along with some samples of the Moisturizing line, and prices that include shipping.

Thank you for your cooperation. We look forward to receiving the above information and samples from you.

Sincerely,

Kayoko Sawamura
