Subject: Inquiry about wholesale supply

To whom it may concern,

I am the owner of an office supplies store in Tokyo and I am looking for an additional wholesale supplier of computer accessories. I have seen the selection of your latest computer mouse devices on your website and would like to know the following:

1. Are there any discounts on large-quantity purchases?
2. Do you offer a special retail package?
3. Are the mouse devices available in various colors?

I was impressed by the design of your products, and we are interested in purchasing the mouse devices and other products if they suit our needs.

Your prompt reply would be greatly appreciated.

Sincerely,

Hanako Tanaka
