Subject: Request for ingredient list

Dear Mr. Garcia,

I am a food buyer at Tokyo-based ABC Foods, and I am interested in importing your line of canned pasta sauces that you had on display at the Food & Beverage Trade Show last week.

In order to ensure that they conform to the Japanese laws and regulations, would you kindly send the complete list of ingredients and additives for each product?

The ingredients and additives used must be listed in decreasing order from highest to lowest content. Also, please make sure that no ingredient or additive is omitted from the list as there is a possibility that it may be a restricted item specified in the Japanese law.

I look forward to hearing from you.

Thank you.
