

Julia: Sales, Julia Williams speaking.

Yukari: Hello, Julia. This is Yukari from Advertising. We're planning to go out for a drinking party next Friday to celebrate the completion of the project. I was wondering if you'd like to join us.

Julia: That sounds great. I'll be in a meeting until seven next Friday, but I'd love to join you. May I come late?

Yukari: Sure. We'll start from seven, but you can come anytime. Is there anything you don't eat, or you don't like?

Julia: Well, I can eat everything except *tofu*.

Yukari: All right. I'll e-mail you the details of the restaurant. Please call my cell phone if you get lost on the way.

Julia: Thank you. Hold on. Let me take down your number ... OK, please go ahead.

Yukari: It's 090-xxxx-xxxx. See you.

Julia: See you later.
